PORTABLE PHLEGM
Suction Unit

Features

- Pumping Rate ≥ 15Lpm
- Reservoir Volume ≥ 1000ml
- Power Consumption ≤ 90VA
- Long life Good Steel & Anti Rusting
- Low Noise Level ≤ 65dB(A)

DOUBLE JAR
Suction Unit

Features

- Reservoir Volume ≥ 1000mlx2
- Power Consumption ≤ 90VA
- Long life Good Steel & Anti Rusting
- Low Noise Level ≤ 65dB(A)

Orthopaedic
Electric Heating Pad

Model No. EHP02

Features

- Orthopaedic electric heating pad with super cosy & breathable pad
- Protected with thermostat for safety of the user
- Three adustable heat levels
- Comfortable & easy to use

Orthopaedic
Electric Heating Pad

Model No. EHP03

Features

- Extra Large 26x48 cm
- Protected with thermostat for safety of the user
- Three adustable heat levels
- Comfortable & easy to use
- Orthopaedic electric heating pad with super cosy & breathable pad

infisales2@gmail.com | www.infihealthcare.com

Electric Heating Gel Pad

Model No. HGP01

Features

- Quick Heating
- Locks heat for longer period
- High quality fabric
- Low Power Consumption

Electric Heating Gel Pad
(with velvet hand pocket)

Model No. HGP02

Features

- Velvet Pocket for warming Hands
- Quick Heating
- Locks heat for longer period
- High quality fabric
- Low Power Consumption

infisales2@gmail.com | www.infihealthcare.com

ANEROID SPHYGMOMANOMETER (DESK TYPE)

Model No. ABP-DL02

Features

- Adjustable display for easy reading
- PVC bladder & bulb
- Air-release valve with spring
- Standard end valve
- Accurate Reliable Movement

ANEROID SPHYGMOMANOMETER (PALM TYPE)

Model No. ABP01

Features

- Accurate Reliable Movement
- Light Weight Dial Casting
- Durable Epoxy Powder Coating
- Quality Workmanship
- PVC bladder & bulb

infisales2@gmail.com | www.infihealthcare.com

FINGER TIP
Pulseoximeter

Features

- With Beep
- Four sides rotatable
- Perfusion Index
- Two colors LED display
- Low battery consumption upto 50hrs
- Easy to operate

OXYGEN CONCENTRATOR
(5/10 Litre per minute)

Model No. OC01

Features

- Low Saturation Alarm
- LCD Display
- 24 Hours continuous running
- >95% Oxygen purity
- Storage Compartment

infisales2@gmail.com | www.infihealthcare.com

Digital Thermometer

MODEL NO. »DT01 »DT01B »DT01FL

Features

- Dual Scale (°C & °F)
- Fever Alarm (Above 100°F)
- Beeper Alert
- Last Memory Record
- Auto off Feature

AVAILABLE IN 3 TYPES

• Non-Waterproof • Waterproof • Flexible

NON CONTACT Thermometer

MODEL NO. NC02

Tri-color Backlight Indication

infisales2@gmail.com | www.infihealthcare.com

Piston Nebulizer

Model No. CN01

For Efficient
Aerosol
Therapy

Features

- Reusable high fumes chamber/bottle
- Durable compressor with thermal protector
- Low particle size for effective medication delivery
- With storage compartment for nebulizer kit

infisales2@gmail.com | www.infihealthcare.com

Piston Nebulizer

Model No. CN04

With power chord compatment
& inbuilt handle, easy to carry

Features

- Piston Nebulizer
- Complete reusable nebulizer Kit
- Low particle size– High flow rate
- Clinical accuracy for efficient medicine delivery
- Longer continuous usage`
- With storage compartment for power chord

infisales2@gmail.com | www.infihealthcare.com

Piston Nebulizer

Model No. CN02

Features

- Compact design
- Reusable high fumes chamber/bottle
- Durable compressor with thermal protector
- Low particle size for effective medication delivery

infisales2@gmail.com | www.infihealthcare.com

Piston Nebulizer

Model No. CN06

With power chord compatment & inbuilt handle, easy to carry

Features

- Piston Nebulizer
- Complete reusable nebulizer Kit
- Low particle size- High flow rate
- Clinical accuracy for efficient medicine delivery
- Longer continuous usage`

infisales2@gmail.com | www.infihealthcare.com

Piston Nebulizer

Model No. CN07

With power chord compatment & inbuilt handle, easy to carry

Features

- Piston Nebulizer
- Complete reusable nebulizer Kit
- Low particle size- High flow rate
- Clinical accuracy for efficient medicine delivery
- Longer continuous usage`

infisales2@gmail.com | www.infihealthcare.com

STETHOSCOPE
(Aluminium/S.S.)

Features

- Aluminium / Stainless steel chest piece
- Stainless steel head frame
- Sensitive Diaphragm high conduction
- Black powder coated metal Ring
- Ultra soft ear knobs

STETHOSCOPE
(SS)

Features

- Range 0-300 mm/hg
- Professional accuracy
- Soft fine cuff
- Durable quality bulb & value
